Three Step Hiring Process

1. Tell Us About The Skill Required

It is important to identify the skills you are looking in your virtual assistant. This will help us shortlist the best candidates for your business. We understand that every business is unique and have unique requirements.

Therefore its important to layout the requirements that you want for your company. Essentially we want the following information from your side:

- Education of your Virtual Assistant.
- Working Hours.
- Number of Hours required per week.
- Time Zone.
- Preferred Communication Language.
- Level of English Language.

2. Interview Your Shortlist Candidates

Once you have described the qualities you are looking for in your Virtual Assistant, our team here at Online Latinos starts its procedure of finding a perfect match for you. The team members here understand that your time is important so we ensure that we only short list those candidates which are best match for your requirements.

Our team carry out following steps for shortlisting the candidates for your Virtual Assistant:

- Approach all the candidates which are the best match for your requirements.
- The interested candidates are passed through a process for screening.
- Timezone comfort ability is checked.
- Forward the list of candidates to you.
- You pick and choose which candidate you want to interview.
- Carry out a short video interview at the time of your choice.

3. Finalize The Hiring Process

After the process of shortlisting and interview, you are now good to go. You will have the access to your very own Virtual Assistant. In case you have any questions or inquiries you can always contact Online Latinos.

We will provide you the following tools and reports about the performance of your Virtual Assistant on Weekly basis.

- Time Tracker of your Virtual Assistant.
- Daily Progress Report.
- Sign-in/Signout time.
- Tasks handled per day.
- Weekly hours worked.
